

Summer Bible School JMYF Sleepover- June 21- 25, 2015

Our hope for this sleepover during Bible School week is that our group will get to know each other better; we will enjoy God's creation; we will find joy in the activities planned and in being together; we will grow in the knowledge of God and Jesus Christ and that He may be glorified by our words and actions.

Expectations of the Week:

- Our sleepover is a group activity. Participation is expected from everyone in all activities until the activities are finished.
- Chaperones are responsible for all those attending. Due to this responsibility, it is expected that youth will listen to the chaperones and follow instructions. Rules are for their safety and the good of the group.
- Church property is to be respected at all times. Our activity space is limited to the tenting area, the gym, the bathrooms closest to the gym and the hallway area outside of the gym, unless otherwise stated.
- Fireworks, matches, lighters and anything of a hazardous nature are prohibited. Only one warning will be issued and a second infraction will result in a parent being called.
- Do not bring your **cell phone**, PSP, iPod, iPad, Kindle, tablet or DS.

Failure to abide by any of these expectations will result in a warning. If a second infraction occurs, youth will be removed from the group and the situation and consequences will be discussed with them. Third time will result in a parent being called to pick the child up.

I have reviewed this covenant with my child and have explained what is expected of them during this week. I agree to being called at any point during the week if my child has failed to abide by these expectations three times.
