### *The Family Corner*

*This corner of Living Streams will be dedicated to sharing wisdom and information for our families.*

Focus on the Family shares "The power of prayer is a mystery, which we must embrace by faith. In the final analysis, prayer is not about results. It's about relationship. God wants us to interact with Him, so that we might know Him, trust Him and remember Him in all our ways. He wants us to become involved and play an active role in the mystery of His plan for the universe-and allow Him to work in our hearts in the midst of that process."

Is your family praying together?
