### ***The Family Corner***

*This corner of Living Streams will be dedicated to sharing, wisdom and information for our families.*

"Think of children as mirrors. As the moon reflects the sun, children reflect love, but they do not initiate love. If we give them love, they return it. If we give none, they have none to return. Unconditional love is reflected unconditionally, and conditional love is returned conditionally."

D. Ross Campbell, MD shared this in his book  
[How to Really Love Your Child.](#)
