## ***The Family Corner***

*This corner of Living Streams will be dedicated to sharing, wisdom and information for our families.*

“As much as we’d like to believe that we are good at loving our children unconditionally, the truth is, we’re not always very good at it. We always want more from our kids. We want to show them that we love them but we also want them to succeed and love us back. Loving them when they’re flunking fifth grade, not liked by any of their friends or doing things to embarrass us is tough. But loving them when no one else will is what being a good mom is all about. That’s where we shine. So work at it and ask God to give you grace to do it a bit better. Love intently.”
