Intergenerational Service TRIP to RIPPLE

On Sunday, **May 8th**, we will be taking a group to help prepare and serve a meal for the Ripple congregation in Allentown. *(Our youth have connected with Ripple numerous times, most recently traveling with their youth group to Convention this summer)* We will depart from church at 2:00 pm, help to serve a meal for the Ripple Congregation, and then return to church by 7:00 pm. This is a great opportunity for us to serve and fellowship together with brothers and sisters in Christ. We would like to have a group of 12 for this activity. ***For more information and to sign up, please see the table in the mailbox foyer.***

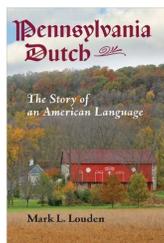

2016 Ministry Volunteer Forms were placed in mailboxes last Sunday. Extra forms are in the mailbox foyer area. There are several ways you can get involved and use your God-given gifts at Deep Run East. If you would like to volunteer, or nominate someone, please fill out the bottom of the form and return it to the box in the mailbox foyer area **by April 24th**. If you would like to know more about what is involved in one or more of the volunteer opportunities please see one of the following Gift Discernment Committee members, Phyllis Nyce, Lois Rice, Eric Rice, Chris Detweiler.

The **Church Pictorial Survey** was placed in mailboxes previously. We are looking for your feedback. There are no volunteers to take part in a task team at this time. The Leadership Board discussed this matter at their last meeting. The questions were asked, "What purpose does the pictorial serve? How often do people use it? Does the congregation still see a need for it? Therefore to help answer these questions, we invite you to share your feedback. ***Please place completed surveys in the box found in the mailbox foyer area by TODAY!***

The Family Corner

This corner of Living Streams will be dedicated to sharing, wisdom and information for our families.

“We all know that when we are mad, the ones closest to us bear the brunt of our anger and unfortunately, many times that is our children. We often spend more time with our kids than anyone else and they hear everything that we say. They hear us talk to friends, our husbands, parents and neighbors. And of course, they take to heart what we say to them. Words are powerful. They can heal relationships, shape the identity of children or crush loved ones. Jesus always chose his words wisely and he used them to build people up not cut them down. So pay attention to your words and the tones you use. Speak well.”
