Salt + Light **SPRING SALT & LIGHT:** Mission Commission reminds you to consider a “salt & light” project this spring to be intentional about planning time to serve others. We are suggesting that SS classes, small groups, or families choose a project they can do together. We especially encourage helping a neighbor or elderly person “right next door” with spring clean-up or repairs needed. Please be in prayer that God will direct you to the person that needs help! Contact anyone from Mission Commission for suggested projects, too.
