## THE FAMILY CORNER

"Prayer links us to God. It connects what we believe about God with what we believe about ourselves and forms a basis for communication. Prayer defines the nature of our relationship to God. Jesus gave us the Lord's Prayer (Matthew 6:9-13) as a model for prayer. This prayer can guide our thinking and help keep our communication with God from being one-sided."

"It recognizes God's power and glory as the source for true kingdom living, now and forever."
