THE FAMILY CORNER

Genesis 6:5-9:17: "Noah and God's promises"

Here are some ways to nurture faith at home based on this week's story.* (1) Read Genesis 9:8-11. Who did God make a covenant with? What was the promise? (2) Tell about an experience with rain or floods. (3) What kinds of promises do you make to each other?

Did you know? On March 14, 1994, the longest-observed rainbow was seen in Sheffield, England. It lasted for six hours.

Prayer for the week: *Steadfast God, thank you for keeping your promises to us. May we be faithful to you. Amen.*
