THE FAMILY CORNER

“ways to help your kids get more out of the sermon” from notconsumed.com

Have regular sermon chats

“The final step is to make sure you hold your kids accountable by asking them what they learned in the sermon. The easiest way to do that is a sermon chat. And it’s truly all you need to do. Whether it’s in the car on the way home from church or over Sunday lunch, take a few minutes and talk through what you’ve learned.

Ask each family member to contribute something, but don’t ask for a complete recap. It’s better to ask for one take away. This way everyone has a chance to contribute and no one feels as though they can’t. Even little ones can give you something, anything they learned in the sermon. If you ask every single week, they will know to expect it and will learn to come prepared to talk.”

Join us in welcoming the Yoder-Frey family on **July 9th**. They will be bringing us the message, speaking at an alternate Sunday School and joining us for a potluck at lunch. We encourage all to come. If you are coming to the potluck, **please bring a main dish with a salad or dessert.**

The *Vegetable Basket Program* will begin July 10th and continue every Monday, until mid October . Please have produce at Deep Run East before 9:00 am. The produce can be dropped off by the inside entranceway going to the basement.
